CLUB

CAN YOU OFFER A GLIDER AT THE COURSE ?

IF SO, TYPE & REGISTRATION

We require three gliders to work on during each course and rely on Clubs and individual members to provide a suitable glider. As an incentive the RTO/A's will endeavour to ensure that each glider will have a Form 2 inspection completed and signed off by the end of the course. This is subject to the glider being in reasonable condition and without defects.

The glider owner is requested to provide (and pay for) the GFA Form 2 package.

SUMMARY OF ANY PREVIOUS AIRWORTHINESS EXPERIENCE
